## history

### OF OUR BREWERY & TAPROOM

Moeller Brew Barn was founded in Maria Stein, OH in 2015 by Nick Moeller with the mission of giving everyone a choice to enjoy fresh, local, craft beer. With a great core and expansive lineup of delicious brews, the Brew Barn expanded its brewery cellar and canning operation in 2019, along with offering brick oven pizzas and flavorful food options from the kitchen.

Moeller Brew Barn - Troy opened in 2019 with the same expanded mission - bring fresh local craft beer and food to Troy and its surrounding communities. Originally the First Lutheran Church, parts of the original foundation built in 1870 still exist (check out the church

basement)! A fire overtook the building in 1909, but the church was rebuilt and re-opened in 1912. It survived the flood of 1913, and housed the First Lutheran Church until 1998. It has had several uses since then until Moeller Brew Barn - Troy opened with its 10 barrel brewhouse and cellar and brick oven kitchen in August 2019.

Moeller Brew Barn - Dayton opened in August of 2022, located across Day Air Ballpark, home of the Dayton Dragons. What once was "the first place to look for every last thing," the iconic former Mendelson's Liquidation Outlet offers stadium views, great food, delicious beers

and a friendly team to serve it all. Moeller Brew Barn - Monroe opened in September 2022 and is home to a 50 barrel brewhouse and cellar, along with our kitchen and beer offerings. Check out the Taproom, with nods to the historic LeSourdsville Lake Americana Amusement Park.

Feeling adventurous? Check out all of our locations and ask your server about the Moeller passport. I love to hear from folks, whether it's a good idea, a great experience, or maybe something we could do better - drop me a line anytime at [nick@moellerbrewbarn.com](mailto:nick@moellerbrewbarn.com). Cheers!
