# History OF OUR BREWERY & TAPROOM

Moeller Brew Barn was founded in Maria Stein, Ohio, in 2015 by Nick Moeller with the hopes of bringing fresh, local, craft beer to the many communities of western Ohio. With a great core and expansive seasonal lineup of delicious brews, the Brew Barn expanded its brewery cellar, and started its kitchen operations in 2019.

In 2018, Tony Scott partnered with Moeller and started construction of the Brew Barn's second location. Originally the First Lutheran Church in downtown Troy, parts of the original foundation built in 1870 still exist. A fire overtook the building in 1909, but the church was rebuilt and opened in 1912. It housed the First Lutheran Church until 1998. It has had several uses since then, but Moeller Brew Barn Troy, a 10-barrel brewhouse, opened its doors in August 2019.

In the summer of 2022, Moeller Brew Barn Dayton opened its doors across from Day Air Ballpark, home of the Dayton Dragons. This iconic former Mendelson's factory offers stadium views while housing a full kitchen menu and 10-barrel brewhouse with 72 taps.

A few weeks later, the doors of Moeller Brew Barn Monroe were opened. This taproom and brewery with a 50-barrel brew house features 54 taps, patio seating and a full kitchen menu, with nods to the historic LeSourdsville Lake Americana Amusement Park.

We are proud to bring our fresh local craft beer and kitchen to you. Cheers!
