# History OF OUR BREWERY & TAPROOM

Moeller Brew Barn was founded in Maria Stein, Ohio, in 2015 by Nick Moeller with the hopes of bringing fresh, local, craft beer to the many communities of western Ohio. With a great core and expansive seasonal lineup of delicious brews, the Brew Barn expanded its production and started its kitchen operations in 2019.

In 2018, Tony Scott partnered with Moeller and started construction of the Brew Barn's second location. Originally the First Lutheran Church in downtown Troy, parts of the original foundation built in 1870 still exist. A fire overtook the building in 1909, but the church was rebuilt and opened in 1912. It housed the First Lutheran Church until 1998. It has had several uses since then, but Moeller Brew Barn Troy opened its doors in August 2019.

At the entrance of the Brew Barn, a memory wall of photos features past events at the church before its conversion. If you're interested in adding to this wall, please contact [troyevents@moellerbrewbarn.com](mailto:troyevents@moellerbrewbarn.com).

In the summer of 2022, Moeller Brew Barn Dayton opened its doors across from Day Air Ballpark, home of the Dayton Dragons. This 10-barrel brewhouse, bar and kitchen houses 72 taps, a full menu and stadium views.

Moeller Brew Barn continues to expand its footprint as locations in Plain City and Monroe are currently in the design and planning phases.
